## Earn miles with Oman Air

Every time you fly with Oman Air on qualifying flights, you earn Sindbad miles. The number of miles you earn will depend on the route you fly, the cabin you choose, the type of fare that you purchase and finally your Sindbad Tier. It's easy to earn miles for your flight. Simply provide your Sindbad number when you make your reservation, and make sure that the name on your ticket is the same as that in your Sindbad account

Use the Mileage Calculator to determine how many miles you can earn when flying Oman Air. Save your boarding pass until your miles have been credited to your Sindbad account. If your miles haven't been credited within 48 hours, please request credit online within 6 months of your travel date.

### The route you fly
