

## Digital Blue Cards

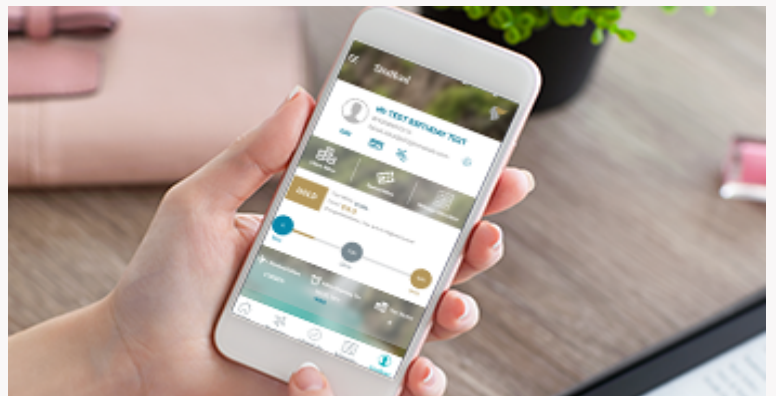

As part of our digital transformation journey and our efforts to go green, we had introduced digital Sindbad cards. We encourage you to “Add” your digital membership cards to your mobile device for an improved and responsible travel experience.

The digital cards work just like your physical card. Download it onto your mobile phone, present it at the time of check-in or at our lounges to gain access or at partner establishments to earn miles and much more. Carry your Sindbad card on your phone wherever you go!

### Download your digital Sindbad card

Download the Oman Air App and log in to your Sindbad account. Tap the card icon to display your digital card, then download it using the save card image option.

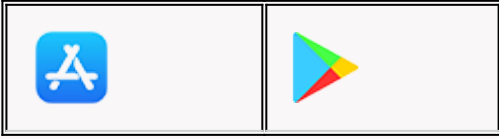

You can also download it from the Sindbad website. Simply login to your account and access your card from the member dashboard.

As a Sindbad member, you no longer need to have a physical membership card to enjoy the benefits of membership. Simply quote your Sindbad number, show your digital Sindbad card to continue enjoying your privileges, earning and redeeming Sindbad miles.

We have ceased the issuance of physical Sindbad Blue cards from 01st May, 2019.
